CHAIR
FRANKSTON & DISTRICT JUNIOR FOOTBALL LEAGUE

PRESIDENT'S REPORT

Season 2025 was my first year as Chairman, which I am extremely honoured to have been given the privileged to lead the Frankston & District Junior Football League (F&DJFL) into the future.

2025 was a year of transition and growth for the F&DJFL. Total registrations for the season were 6,833 players (5086 male and 1747 female participants). That represents an increase of 2% for the 2025 season. Although this seems a small percentage increase, we must remember that we now have an extremely strong regional competition with South East Juniors and Mornington Peninsula Junior Football League alongside of us.

COMBINED COMPETITION

The GYG Regional combined competition strengthened with Frankston & District Junior Football, South East Juniors League and Mornington Peninsula Junior Football Leagues fielding teams from Under 13 to Under 18 Boys & Girls. With a solid grading process in place, the improvement in the competitive balance in the regional competition was paramount and would expect this to get more even across 2026.

LITTLE SAINTS DAY

Little Saints day was a success, with great numbers of U8s, U9s and U10s. We will be looking at a restructure and new venue for the 2026 season – stay tuned as we finalise things moving forward. This day is a great opportunity for clubs to be involved with new families and players.

THE FDJFL BOARD

I would like to thank the F&DJFL Board for their contribution, support and willingness to put participation and players first.
Anita Francis (Secretary) - you have been on board since the 2024 Board inception. Your attention to detail and willingness to help with Interleague and many other items was most appreciated.
Harvey White (Treasurer) - having now establish clearer financial processes, this has established a greater understanding and direction for the F&DJFL going forward. Your dedication, time and commitment to Interleague and growth in juniors is first class. Thank you.
Phil Murton (Board Member) - Thank you for your time in overseeing our commercial commitments to St Kilda Football Club and AFLSE agreements.

To our players, I hope you had a great 2025 season and looking forward to getting back out on the oval shortly for what I expect to be an exciting 2026!

To Club Committees and Volunteers – You are our heart that makes our league and clubs beat. Your unrestricted time and dedication, sees the FDJFL the strongest in the region.

To Club Presidents, Secretaries and Executive Committees, the way you work together with each other and the board to provide a safe and nurturing environment for the players is something we can all be proud of.

I am very proud of the position we find F&DJFL in. Financially we are strong, our commitment to growth, both in male and female participation will see us strive to be the largest Junior competition going around.
The year ahead looks to set a lot of new challenges, we will strive to put our clubs and stakeholders first, displaying best practice to improve growth for clubs, but more importantly, participation and fun for our players.

I personally would like to thank the Presidents, Secretaries who regularly check in with me, offer their support, commitment, time or just say hello. Words will not describe my appreciation and respect for you all. Thank you.

HARVEY WHITE

TREASURER
FRANKSTON & DISTRICT JUNIOR FOOTBALL LEAGUE

TREASURER'S REPORT

The 2025 financial year marked a significant turnaround for the Frankston & District Junior Football League (F&DJFL), underpinned by responsible financial management, cost discipline, and sustainable revenue generation.

KEY FINANCIAL HIGHLIGHTS

INDICATOR	2024	2025	CHANGE / COMMENT
Net Result	-$10,709.20 (Deficit)	+$31,240.83 (Surplus)	Turnaround of +$41,950
Total Income	$398,337.94	$380,771.48	Stable and consistent revenue base
Total Expenditure	$379,320.14	$349,505.65	↓ Reduced by 7.8 %
Net Assets	$134,993.81	$166,234.64	↑ +23 % growth
Cash at Bank	$214,000	$221,901.38	↑ Improved liquidity

FINANCIAL SUMMARY

- Achieved a net surplus of $31,240.83, reversing the previous year's deficit.
- Operating expenditure fell by nearly 8 % while maintaining full competition delivery.
- Cash reserves exceeded $221 k, covering six months of operational costs.
- The League remains debt-free with net assets up 23 % to $166 k.

STRATEGIC OUTLOOK FOR 2026

- Maintain affordability and accessibility for participants.
- Expand sponsorship and partnership opportunities.
- Strengthen digital financial management systems.
- Continue investment in club and player development pathways.

TREASURER'S COMMENT

"The 2025 result reflects disciplined management and collaboration across our League. We have achieved financial stability without compromising program quality or club support. The F&DJFL enters 2026 in its strongest position in recent years."

TREASURER'S EXECUTIVE SUMMARY

The 2025 financial year demonstrates a stable and sustainable financial position for the League, delivering a final audited surplus of **$31,240.83**.
This result reflects effective cost control, consistent registration income, and ongoing governance discipline.
The League continues to balance affordability for participants with the need to maintain financial sustainability, ensuring resources are directed toward competition delivery, club support, and future development.

The League remains debt-free, with strong liquidity and reserves sufficient to support 2026 operations and development initiatives.

FINANCIAL GOVERNANCE & REPORTING STANDARDS

The League continues to meet all obligations under the Associations Incorporation Reform Act 2012 (Vic).
All transactions are recorded through **Xero**, dual authorisation is maintained on all payments, and quarterly financial statements are presented to the Board.
An independent review confirmed compliance and financial integrity for the 2025 financial year.

FINANCIAL PERFORMANCE OVERVIEW

Total income for 2025 was **$380,771.48**, derived primarily from player registrations, insurance contributions, and development programs.
Total expenditure was **$349,505.65**, resulting in a **net surplus of $31,240.83**.
This surplus strengthens the League's financial position and ensures adequate reserves heading into 2026.

INCOME BREAKDOWN

Key income streams for 2025 were as follows:

- Junior Player Registrations: $252,375.72
- Development Program Fees: $45,469.52
- Insurance Programs: $52,317.85
- Partnership Income: $12,000.00
- Fines & Investigations: $18,374.66
- Other Income: $233.63

Overall, revenue remained consistent year-on-year, with stable participation levels across the competition.

EXPENSE BREAKDOWN

Major expenditures for 2025 were as follows:

- Service Agreement (AFL SE): $180,000.00
- Finals Expenditure (Umpires, Staffing, etc.): $52,000.00
- Development Program Costs: $20,886.90
- Insurance & Investigations: $68,000.00 combined
- Accounting & Bookkeeping: $3,400.00
- Trophies & Presentations: $15,434.62
- Administration & Office: $1,509.09

Expenditure remained within budget and reflected prudent management across all departments.

BALANCE SHEET FINANCIAL POSITION

As at 31 October 2025:

- Total Assets: $229,698.00
- Cash at Bank: $221,901.38 (Bendigo $217,200.00; BOQ $4,701.38)
- Trade Debtors: $7,796.62
- Total Liabilities: $63,463.36
- Net Assets: $166,234.64

The League maintains a strong cash position and remains debt-free, providing a solid foundation for ongoing operations and strategic planning.

COMPARATIVE OVERVIEW – 2024 vs 2025

INDICATOR	2024	2025	CHANGE / COMMENT
Net Result	-$10,709.20 (Deficit)	+$31,240.83 (Surplus)	Turnaround of +$41,950
Total Income	$398,337.94	$380,771.48	Stable and consistent revenue base
Total Expenditure	$379,320.14	$349,505.65	↓ Reduced by 7.8 %
Net Assets	$134,993.81	$166,234.64	↑ +23 % growth
Cash at Bank	$214,000	$221,901.38	↑ Improved liquidity

BALANCE SHEET FINANCIAL POSITION

- The League achieved a **significant turnaround from deficit to surplus.**
- **Operating expenses were reduced** through improved efficiency and governance.
- **Cash and net assets increased,** providing a stronger foundation for 2026.

AUDIT COMPLIANCE

The 2025 accounts were independently reviewed, with **no material discrepancies or compliance issues** identified. All statutory and governance requirements were satisfied, confirming the League's commitment to transparency and accountability.

RISK MANAGEMNT & RESERVES POLICY

Financial risk continues to be managed through:

- Maintaining cash reserves equivalent to six months of operational expenses
- Comprehensive insurance coverage for liability, property, and participant risk
- Ongoing monitoring of liquidity and expenditure to ensure sustainable operations

The League's reserve strategy ensures resilience against external shocks or unexpected revenue fluctuations.

2026 OUTLOOK

Looking ahead, the League will continue to:

- Maintain affordability for players and clubs
- Grow sponsorship and funding partnerships
- Streamline digital financial processes and reporting
- Support development programs and volunteer engagement

The Board remains committed to sustaining strong governance and supporting the growth of junior football across the region.

INTERLEAGUE & TALENT PATHWAYS

FRANKSTON & DISTRICT JUNIOR FOOTBALL LEAGUE

HARVEY WHITE
Interleague Board Representative

OVERVIEW

In 2025, the Frankston & District Junior Football League (F&DJFL) continued to strengthen its position as a leading development league in Victoria through a highly successful representative and pathways program. The league deepened its partnership with St Kilda Football Club, AFL South East and the Dandenong Stingrays, delivering strong outcomes across athlete development, representative football and talent identification.

Building on prior seasons, the F&DJFL expanded its representative footprint, delivered enhanced high performance programming, and created clearer progression opportunities for both boys and girls across all age groups.

PARTICIPATION & PROGRAM GROWTH ANALYSIS

The F&DJFL Interleague and Academy Program experienced substantial growth in 2025, delivering increased participation, expanded team structures and improved alignment with high-performance pathways including the St Kilda NGA program. Compared with 2024, the league fielded more teams, played more games and engaged significantly more players across both boys' and girls' development streams.

The expansion reflects strong demand from member clubs, improved talent identification processes and strengthened integration with the FDJFL High-Performance Coaching Group.

2025 PARTICIPATION SUMMARY

Year-on-Year Growth (2024 → 2025)

- **TEAMS:** 13 → 16 **(+3 teams)**
- **PLAYERS:** 342 → 480 **(+138 players)**
- **GAMES PLAYED:** 39 → 48 **(+9 games)**
- **NGA PARTICIPATION:** 252 → 390 **(+138 players)**
- **GIRLS PARTICIPATION:** 126 → 160 **(+34 players)**
- **METRO BOYS:** 104 → 156
- **METRO GIRLS:** 96 → 104

ACADEMY & DEVELOPMENT PROGRAMS

The season began with the FDJFL Come & Try Day and the annual athlete testing program, attracting strong attendance from across all clubs. Following physical testing and skill assessments, Academy and Development squads were selected and placed into structured training blocks under the High Performance Coaching Group.

Training focused on:

- Skill refinement and decision-making
- Football IQ and game awareness
- Movement efficiency and running mechanics
- Contest craft and tackling education
- Recovery, wellbeing and holistic athlete development

This program continued to reinforce a high-performance culture while ensuring accessibility for a wide range of developing players.

GROWTH IN FEMALE PARTICIPATION

A major highlight of 2025 was the significant rise in female participation—particularly within the U13 and U14 Girls squads. These groups displayed exceptional commitment through all phases of the program and delivered highly competitive performances during the SEDA Carnival.

The continued growth reflects a rapidly strengthening female pathway within the FDJFL, supported by clubs, families and the league's expanded coaching and support structure.

TALENT IDENTIFICATION & NGA PROGRAMS

Representation in the St Kilda FC Next Generation Academy (NGA) increased significantly in 2025, with FDJFL athletes participating across U13–U17 programs.

These players received:

- Position-specific coaching
- Athlete education sessions
- Performance habit development
- Nutrition, recovery and wellbeing guidance

FDJFL remains committed to ensuring talented players are identified early, supported appropriately and provided access to next-level development opportunities.

POST-SEASON TALENT BLOCK

The U13 and U14 programs will soon commence their annual talent block. This phase will introduce new train-on athletes and integrated newly appointed coaching staff.

Sessions will cover:

- Running mechanics
- Tackling fundamentals
- Structured skill execution
- Contest scenario play
- Recovery and conditioning planning

This early block sets a strong foundation for the 2026 representative season.

ACKNOWLEDGEMENTS

The FDJFL extends sincere thanks to:

- All players and families
- Coaching and support staff
- St Kilda FC Community Football Department
- AFL Southeast
- Dandenong Stingrays
- Club volunteers and coordinators

Special acknowledgement is made to Board Secretary Anita Francis and Academy Head Coach Shane Antrobus for their dedication in re-establishing and strengthening the FDJFL brand within the interleague and academy programs.

CONCLUSION

2025 was a significant year of growth, performance and pathway progression for the FDJFL.

With rising participation-especially in female programs-strong representative results and increasing presence in state pathways, the league is well positioned for an even stronger 2026 season.

UMPIRE OPERATIONS COORDINATOR - SOUTH EAST

REGIONAL UMPIRE REPORT

The 2025 season has been another strong and positive year for Junior Umpiring across AFL South East (AFLSE). The program continued to provide young umpires with opportunities to develop their skills, build confidence, and stay engaged in football through officiating. Our focus remained on recruitment, development, retention, and creating a safe, enjoyable environment for all umpires.

This season, AFLSE recorded over 615 registered junior umpires across field, boundary, and goal disciplines. This was achieved through recruitment campaigns at school programs, local club engagement, and social media, and attract new participants from multiple different backgrounds and different football experiences. We also saw an increase in returning umpires from previous seasons, showing stronger retention rates and growing confidence.

Junior umpire training was conducted weekly across four regional hubs – Cranbourne, Officer, Frankston, Rosebud and Mornington. Sessions combined fitness, skill drills, match education, and practical game simulation to help umpires learn in a fun, supportive environment. Training focus included improving positioning and movement to enhance decision-making angles, developing communication and game management skills, increasing understanding of free kicks and decision cues, and building overall fitness and agility. AFLSE also introduced targeted mentoring for developing umpires, pairing newer officials with senior mentors to support their confidence and performance.

Our junior coaching panel has continued to grow, with dedicated coaches at each training venue providing hands-on guidance and feedback. Regular observation, match reviews, and positive reinforcement have remained central to our development approach.
Junior umpires successfully covered 90% of games in 2025 across all competitions, with strong coverage even during peak rounds. We had a 100% coverage rate during the junior's finals series.

The professionalism and enthusiasm shown by our younger umpires have been consistently recognised by clubs, coaches, and spectators. This is something we will continue to improve and encourage in the upcoming years.

Several junior umpires also progressed to senior development matches, showing the strength of our pathway program and the success of the AFLSE coaching structure.

AFLSE continued to prioritise umpire wellbeing, inclusion, and positive culture. Regular communication through group chats, newsletters, and match-day visits helped keep umpires engaged and supported throughout the season. In addition, we ran themed rounds such as Community Umpiring Week and MND Round, giving our umpires the chance to be part of broader community initiatives.

While the season was successful overall, a few challenges were identified throughout the year. Retaining older junior umpires (aged 17–25) remains difficult as many balance school, work, and other commitments. Spectator behavior at some venues continues to be an issue, highlighting the need for ongoing education and stronger club support. Umpire abuse also remains a significant barrier to both recruiting and retaining umpires, underscoring the importance of promoting respect and understanding across all levels of the game. Additionally, there is a continued need for investment in umpire training resources and equipment to ensure the program can grow and maintain high standards. Plans are in place to address these through improved club communication, new umpire engagement strategies, and continued collaboration with AFL Victoria.

The 2026 season will focus on expanding recruitment partnerships with local schools and clubs, increasing development opportunities for emerging umpires through coaching and leadership pathways, enhancing umpire wellbeing through targeted workshops and recognition programs, and strengthening relationships with clubs to promote greater respect, understanding, and support for the umpiring role.

AFL South East would like to thank the Umpire Coaching Panel for their ongoing dedication and mentorship.
All junior umpires for their effort, professionalism, and enthusiasm each week. Thank you to parents, clubs, and volunteers who continue to support our umpiring community. Together, we've built a strong foundation that will continue to grow and develop the next generation of AFL umpires.
