PRESIDENT'S REPORT

Season 2026 was my third year as President, and I am very privileged to be able to lead one of the largest junior football leagues in the country.

In October 2025 we were advised by AFL Victoria of their intention to cease providing administration services to the AFLSE region, effective 31 October 2026. The combined leagues, F&DJFL, MPJFL and South East Juniors, undertook an extensive review of what the three leagues needed in an administrator to successfully administer the largest combined junior football league in the country. After many meetings, and some very robust discussions, we landed on our new administration company, ALLRND. We welcome Sam and his staff, and look forward to ALLRND ensuring quality administration over the next four years.

In the 2026 season the F&DJFL grew to approximately 7,000 players, allowing us to have 300-plus teams and 18 clubs, and allowing the combined competition to have 330-plus games each weekend over a 14-round home-and-away season. We look forward to the F&DJFL having continued growth in players across all age groups.

With our season dates set, 25 April 2027 to 29 August 2027, we ask all clubs to work with our commercial partner, New Balance, in purchasing on-field apparel over the next few months.

In closing, to club Presidents, Secretaries and Executive Committees: your effort, time and true dedication to your club and the League are so greatly appreciated. They allow the F&DJFL to grow and to provide a safe environment for our awesome participants, parents and families.

Jamie Hughes, President

HARVEY WHITE

TREASURER

FRANKSTON & DISTRICT JUNIOR FOOTBALL LEAGUE

TREASURERS REPORT

The 2026 financial year delivered the League's strongest result in recent years: a surplus of $52,393.38, up from $15,941.97 in 2025. Income grew by 38.4% to $564,660.67, driven by the expanded Interleague program, higher player registration income, and new partnership income. Total costs grew by 30.7% to $512,267.29. Net assets rose by 34.7% to $203,329.16, and the League remains debt-free with $216,648.49 at the bank.

2026 was also a year of transition. AFL South East ceased operation on 31 October 2026, and from 1 November the League's administration moved to the new 2027 to 2030 Service Agreement. The League also moved into its own office at the Healthy Futures Hub in Seaford. These changes bring higher costs in 2027, and they are the main reason for the new $85 League player fee explained in the outlook below.

$52,393
surplus (2025: $15,942)

$564,661
total income, up 38.4%

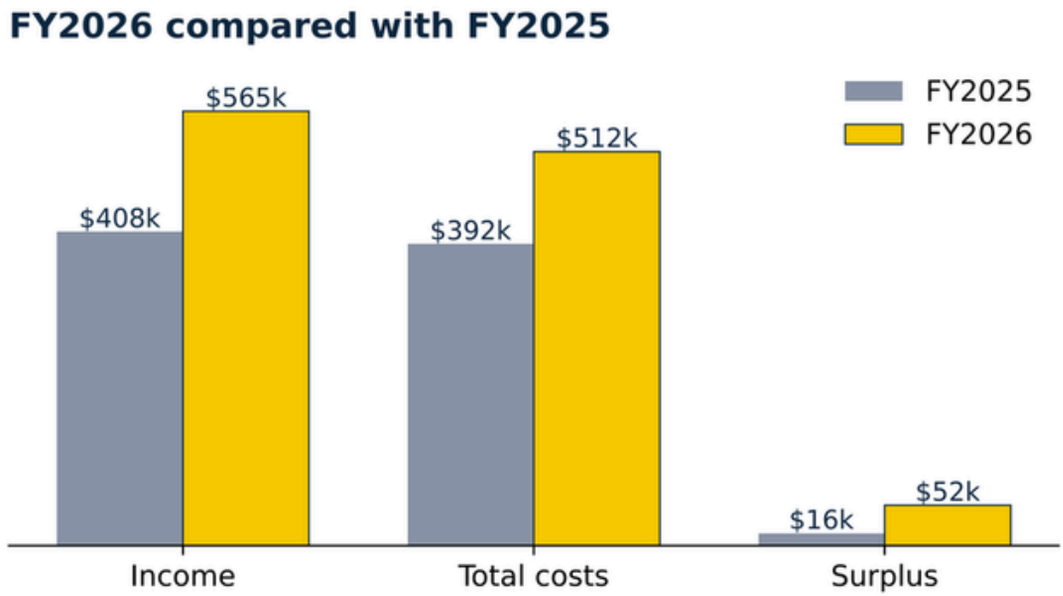

$216,648
cash at bank

$203,329
net assets, up 34.7%

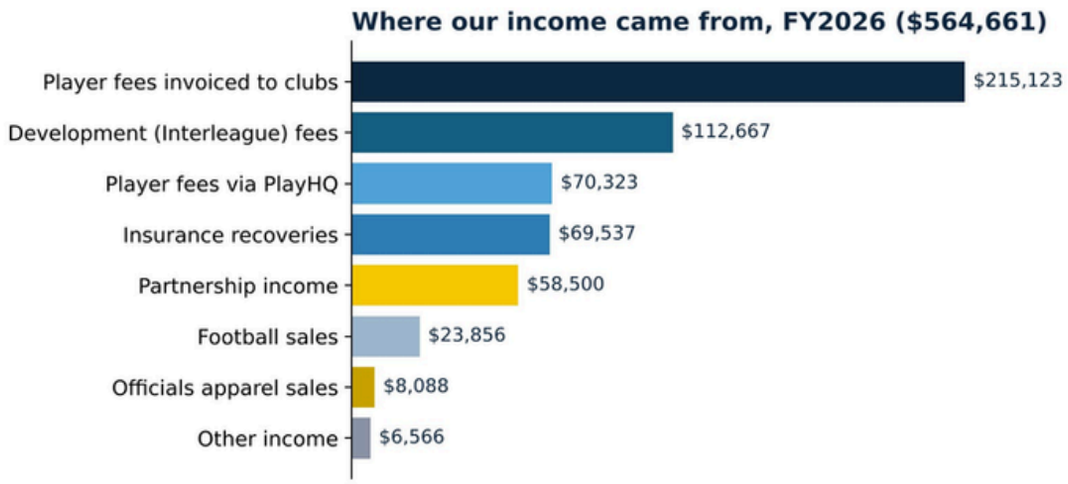

Key financial highlights

Indicator	FY2025	FY2026	Change
Total income	$407,872.07	$564,660.67	+$156,788.60 (+38.4%)
Total costs (incl. cost of sales)	$391,930.10	$512,267.29	+$120,337.19 (+30.7%)
Surplus	$15,941.97	$52,393.38	+$36,451.41
Cash at bank	$219,769.59	$216,648.49	-$3,121.10 (-1.4%)
Net assets	$150,935.78	$203,329.16	+$52,393.38 (+34.7%)

FY2025 figures are as now recorded in Xero. They differ by $40.00 from the surplus and net assets shown in last year's report ($15,901.97 and $150,895.78), which reflects an adjustment made after that report.

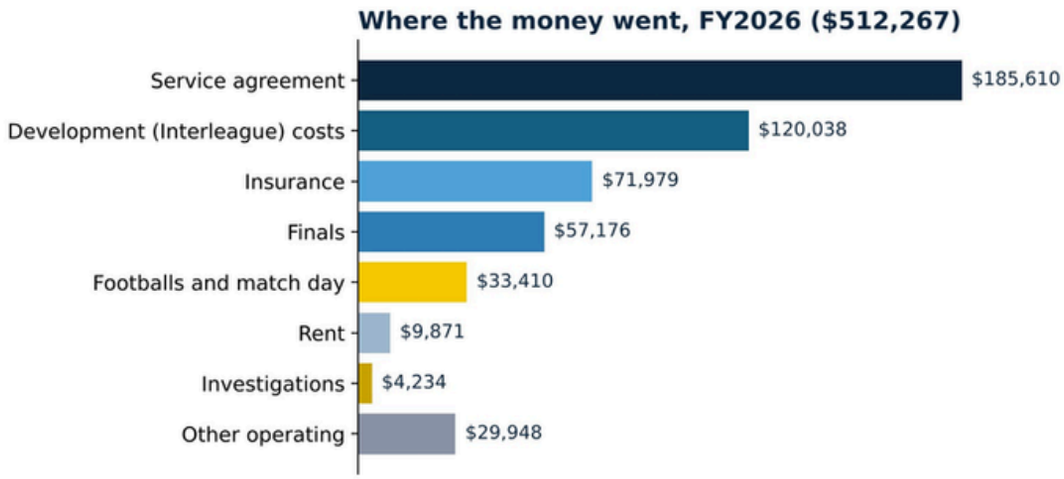

Income

Income stream	FY2025	FY2026	Comment
Player registration fees (invoiced to clubs and collected through PlayHQ)	$252,375.72	$285,446.06	+13.1%. 2026: $215,123.17 invoiced to clubs and $70,322.89 through PlayHQ
Development program fees (Interleague)	$45,469.52	$112,667.22	+147.8%. Larger program, new U12 program, 450+ players
Insurance recoveries from clubs	$52,317.95	$69,537.08	Passed through at cost: equal to the insurance charged to the League
Partnership income	$22,000.00	$58,500.00	+$36,500
Football and officials apparel sales to clubs	$17,100.00	$31,944.01	Match footballs supplied to clubs from 2026
Fines and investigation fees	$18,374.66	$5,127.50	Fewer fines and investigations
Other income and interest	$234.22	$1,438.80	

Expenditure

- **Service agreement: $185,610.00** (2025: $180,000.00). The largest single cost, 36% of total costs, paid to AFL South East for competition administration.
- **Interleague: $120,038.18** in apparel and program costs (2025: $46,206.35), reflecting the larger program and a full set of new equipment, training kits, first aid bags and footballs.
- **Insurance: $71,979.45**, recovered from clubs at cost.
- **Finals: $57,176.38** (2025: $52,039.65), including the League's $35,395.99 share of the new FMS finals series.
- **Footballs and match day: $33,410.50**. Match footballs were bought and supplied to clubs, offset by $23,855.85 in football sales.
- **Lower costs in 2026:** investigation charges fell from $15,116.90 to $4,233.57, and trophies and presentations from $15,434.62 to $5,833.37.

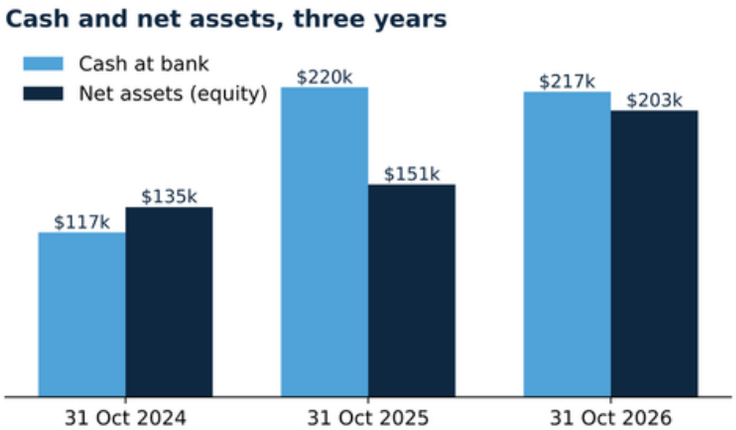

Interleague program finances

John'sInterleaguereportcoverstheseason. The financial result, as recorded in the development accounts, was:

	FY2025	FY2026
Development program fees	$45,469.52	$112,667.22
Development apparel	($37,027.50)	($99,772.00)
Development expenses	($9,178.85)	($20,266.18)
Result as recorded	($736.83)	($7,370.96)

At year end, fees for 31 players who took part but had not paid, and the balances of three instalment plans, had not been invoiced: $10,546.00 including GST ($9,587.27 excluding GST). The Board decided to invoice these after the AGM. If they are collected in full, the 2026 program will finish with a small surplus of about $2,200. From 2027, all Interleague registrations and payments will be managed through PlayHQ. Each payment will be linked to the player from the start, placements will be paid for at registration, and parents will have more payment options, including payment plans.

Financial position

- **Cash at bank: $216,648.49**, held with Bendigo Bank ($211,485.48), Bank of Queensland ($4,708.71) and the debit card account ($454.30).
- **Trade debtors: $65,952.50**, all more than three months old. The largest is Belgravia Sports Apparel ($49,500.00), which is also a creditor of the League ($50,275.30). Both balances are being reviewed. A $5,000.00 provision for doubtful debts is held.
- **Trade creditors: $84,355.79**, including AFL South East ($24,832.50) and Belgravia Sports Apparel ($50,275.30).
- **Net assets: $203,329.16**, up $52,393.38. The League has no borrowings.
- **League equipment:** footballs, Interleague kit and training equipment are expensed when bought. A full stock count was completed in November 2026, and League equipment is now tracked in a stock register.

Reserves

Lastyear'sreport set a benchmark of cash reserves equal to six months of operating costs. At 31 October 2026, cash of $216,648.49 covered about five months of 2026 costs. With the Service Agreement costs rising in 2027, I recommend the Boardreview its reservestarget when it sets the 2027 budget.

Governance and compliance

- All transactions are recorded in Xero, and every payment needs two Board members to authorise it.
- **The League is now a Tier 2 association.** With income above $500,000, the 2026 Financial Statements must be prepared under Australian Accounting Standards, reviewed or audited, and lodged with Consumer Affairs Victoria with the annual statement. The League's 2026 statements have been audited.
- **The audited Financial Statements and the auditor's report** are tabled with this report.
- **The FY2026 minutes and resolutions** were compiled into a single audit pack and provided to the auditor.

2027 outlook

- **New $85 League player fee**, collected at registration through PlayHQ. It replaces the per-player fee previously invoiced toclubs and the finals levy. It covers competition administration, insurance, finals, umpire management and development, and League programs. Club umpire match fees remain separate.
- **Service Agreement:** across the three junior leagues the competition administration cost rises from about $360,000 to about $770,000 a year. AFL South East had run the junior leagues at a loss for several years; that cost now sits with the leagues.
- **Interleague through PlayHQ:** all 2027 Interleague registrations and payments will be managed through PlayHQ. This links every payment to a player, ensures placements are paid for, and gives parents more payment options, including payment plans.
- **Healthy Futures Hub:** the League's office and Board base from November 2026, under a sub-lease with St Kilda FC.
- **Partners:** New Balance as our on-field apparel partner, and a ball sponsor for 2027. Every team receives two match-day footballs.
- **2027 budget:** to be prepared and adopted by the Board before the season, together with a review of the reserves target.

Harvey White, Treasurer

JOHN BARBARESSOS

BOARD MEMBER & INTERLEAGUE REPRESENTATIVE
FRANKSTON & DISTRICT JUNIOR FOOTBALL LEAGUE

INTERLEAGUE REPORT

450+	160+	16 of 18	NEW
players represented the F&DJFL	female participants	clubs represented	Under 12 program

The 2026 Interleague Carnival was a massive step forward for the F&DJFL, both on and off the field.

On-field, our results were among the best we have seen in the metro space. From a development perspective, we competed extremely well against other leagues that included representative players and fully graded their teams. The F&DJFL remained committed to its values, fielding teams that provided representation from clubs right across our league. We are incredibly proud of what our players achieved while staying true to the principles of our program.

We had over 450 players represent the F&DJFL in the carnival. This included over 160 female participants. We had Under 13, 14, 15 and 16 boys and girls, and Under 17 boys. 16 of our 18 clubs were represented.

Off-field, we continued to grow and improve. Communication with our clubs, coaches and team officials strengthened, while parents were kept informed of all Interleague matters as promptly as possible. We remain committed to being open, transparent and honest with everyone involved in the program.

Our partnership with St Kilda continues to go from strength to strength, with both organisations working closely together to deliver the best possible programs, pathways and development opportunities for F&DJFL players. The credibility of our program and the opportunities available to our players continue to grow year after year.

This year we introduced, for the first time, our Under 12 program. This gives many of our young players the opportunity to get a taste of what to expect in the years to come, for those lucky enough to make it into these development programs.

Financially, the 2026 program operated at a loss. This was largely due to the need to purchase a full complement of new equipment, training kits, first aid bags and footballs, along with unexpected last-minute increases in umpiring fees. While this presented challenges, these investments will help support the program moving forward.

Looking ahead, we are excited to announce that in 2027 we will introduce an end-of-program carnival for our Under 16 boys and girls. We are currently working with a regional competition to arrange a trip where our teams will travel to a regional area to play a game and conclude their Interleague journey. We are also in discussions with interstate academies, with the aim of expanding these opportunities into bigger and better experiences in the coming years.

Overall, the 2026 Interleague Program was a fantastic experience for our players, families and officials. The feedback received through our parent and player surveys has been very encouraging and will help us continue to improve the program.

Thank you to all our players, parents, coaches, team officials, clubs, volunteers and partners who contributed to another successful year. Your support and commitment are what make this program possible.

We are proud of how far the F&DJFL Interleague Program has come and look forward to making 2027 an even bigger and better year.

John Barbaressos, F&DJFL Board Member and Interleague Representative
